

# Wire Mesh Fabrications

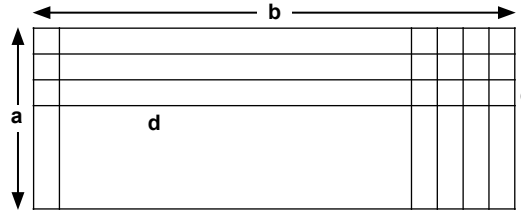

Excellence in wire products for over 35 years

## CUT TO SIZE MESH

In addition to our manufacturing expertise we also offer a cut to size service. Whether you require panels with flush edges or panels with overhangs, the information below is vital when placing an order.

When ordering panels with **flush edges** please specify:

- a** Width of panel
- b** Length of panel
- c** Mesh size on width
- d** Mesh size on length
- e** Gauge of wire
- f** Finish - self colour or galvanised

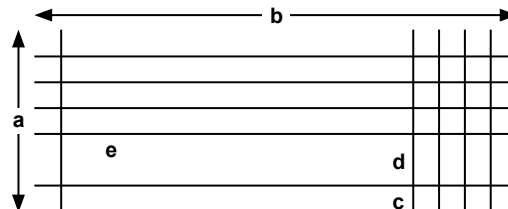

### Flush Edges

Panel	Panel Width a	Panel Length b	Mesh Width c	Mesh Length d	Wire Gauge e	Finish f
1						
2						
3						
4						
5						
6						

When ordering panels with **overhangs** please specify:

- a** Overall width of panel including overhangs
- b** Overall length of panel including overhangs
- c** Length of overhangs required
- d** Mesh size on width
- e** Mesh size on length
- f** Gauge of wire
- g** Finish - self colour or galvanised

### Overhangs

Panel	Overall Width a	Overall Length b	Overhangs Length c	Mesh Width d	Mesh Length e	Wire Gauge f	Finish g

5							
6							

We can also add wires to cut mesh panels where sizes dictate they would otherwise not be.

(All dimensions are measured centre to centre of wires unless specifically requested)

The sizes and specifications described are as accurate as tolerances allow. All information in this brochure is given in good faith. However Wire Mesh Fabrications cannot accept responsibility for any loss or damage arising from the use of the products detailed herein. Wire Mesh Fabrications reserves the right to amend or withdraw products without prior notice.
